

Hope DONATION DRIVE

A donation drive is a great way for your large group or church to come together to support Hope's patients. We are always in need of specific items. Hosting a drive is easy and can be done any time of the year! Schedule your donation drive by using our online form on the 'Ways to Give' tab at hopeforsalem.org. You set the dates of your drive and pick the item(s) you will be collecting. We have a donation receptacle (pack 'n play) available for you to use for collecting items as well as flyers you can use to promote your drive.
