

HOW TO FILL A BABY GIFT BAG

Thank you for your interest in putting together a complete Baby Gift Bag! Hope Pregnancy Clinic values both mother and baby. We hope you'll partner with us and bless a mother and her newborn child by filling a gift bag.

In order to share our excitement about this new life and give our very best, we ask that all donated Baby Gift Bag items are **brand new**.

The approximate value of a full bag is \$250. We understand this is a substantial amount of money and are so incredibly grateful for your support! That being said, if you end up missing a few items, please don't stress. Simply let us know which items are missing and we can fill them in with our supply.

For questions, please contact Beth Maurer at beth@hopeforsalem.org or call (503) 364-2464.

Using the green Baby Gift Bag provided by Hope, start at the bottom of the bag. All sizes should be 0-6 months, unless otherwise stated.
