

TALKING POINTS

HOPE PREGNANCY CLINIC:

- Hope is the “compassion arm” of the pro-life movement.
- Our mission is to empower women who are unprepared for pregnancy to make healthy, life-affirming decisions.
 - We are a free medical clinic offering pregnancy tests, ultrasounds, options counseling, community referrals and parenting/mentoring services.
 - **In 2024, Hope saw 889 patients, performed 859 ultrasounds and had 157 participants in the Parenting Initiative mentoring program. We saw a big increase in participation by the fathers - 45% of women had their partners participate in the education and mentoring classes.**
 - We provide free maternity clothes, baby gift bags with clothes, wipes, diapers and other essential material items to meet their physical needs.
- With every patient, Hope looks for the opportunity to share the message of God’s love and salvation. **In 2024, we were able to share the full Gospel message with 53 patients.**

BABY BOTTLE CAMPAIGN:

Participation is easy! Just take a bottle (or two or three) home with you, fill with cash, coins and checks, and return on Father’s Day. Funds raised go directly toward Hope’s free services. **The 2024 campaign brought in over \$109,000! Every cent counts.**
