

Thank you for participating in Hope Pregnancy Clinic's Baby Bottle Campaign.

We value the effort it takes on your part to join us in our mission. Please know that the money collected directly impacts the lives of women and their unborn babies.

BOTTLE AND MONEY INSTRUCTIONS:

While we hope your church is able to deposit the funds and issue a check to Hope, we're also willing to go to the bank ourselves. Please let us know what works best for you.

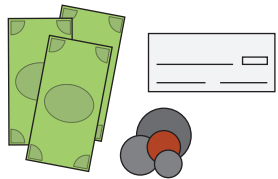

Please empty all bottles into the bucket(s) provided.

For easy lifting, only fill buckets 1/4 full with coins.

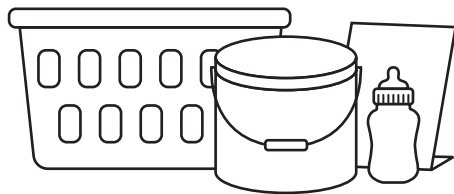

Double check bottles to make sure they are completely emptied.

Checks will wedge around the inside of the bottle – we find unseen checks all the time.

If Hope is making the deposit, please separate all checks, cash and coins.

Use the envelope provided (or any envelope with your church's name on it) to seal cash or checks.

When your campaign concludes, gather all the materials for return to Hope.

Please double-check the front of the envelope provided for the number of bottles, buckets, baskets and display signs loaned to your church.
